I. INTRODUCTION

The County of El Dorado (County) desires to retain a qualified firm to provide high resolution images with periodic and regular updates. The work involves the performance of professional, expert, and technical services including a demonstrated ability to provide satellite imagery on a regular and ongoing need for three (3) years, beginning in 2019.

The County of El Dorado is an equal opportunity employer (EOE). Minorities, females, and handicapped are encouraged to participate.

II. SCOPE OF PROFESSIONAL SERVICES

The successful Proposer shall provide high resolution cloud free digital imagery at a regular cadence to be used for multiple applications. The Proposer shall provide consistent collection and access to sub-one meter resolution daytime visual imagery of all of El Dorado County, collected at least five (5) times per year at regular intervals from February through November.

The imagery shall be in a non-proprietary, industry-standard file format and spectral band to facilitate access, analysis, storage, retrieval, and interpretation by a variety of users to sufficiently see, identify, and analyze ongoing land use, existing structures, vegetation/ground coverage, and other surface features. The digital imagery will be provided as a service to County staff and residents, and/or available for upload to our Geospatial Information System and releasable to same at the discretion of the County and at no additional cost.

Standardization in resolution, collection time, and spectral band shall also be sufficient to conduct both manual and automated change detection over time. The proposal should address the initial service and cost beginning as soon as possible for collections in 2019, and include options for ongoing collections in subsequent years.

County staff will open proposals following the submittal deadline. The only information that will be made available to the public at that time will be the names of the Proposers submitting proposals. The contents of all proposals, or any other medium which discloses any aspect of the proposal, shall be held in strictest confidence until the County releases a Notice of Intent to Award.

A Selection Committee will be appointed by the County to evaluate the proposals. It is anticipated that representatives from the County and other local government entities will conduct the evaluations. The Selection Committee may interview respondent firms during the selection process if it is determined to be necessary.

When evaluation of the proposals and presentations has been completed, a Proposer will be selected and negotiations will be initiated. If for any reason a contract cannot be negotiated, the County reserves the right to select the next ranked prospective Proposer. The County will then make recommendations for selection to the County Board of Supervisors, based on the selection criteria outlined in the preceding section.

VIII. REJECTION OF PROPOSALS

Prospective Proposers interested in being considered must submit a proposal in compliance with this notice. Failure to meet the minimum requirements of the RFP shall be cause for rejection of the proposal. The County reserves the right to reject any or all proposals.

The County may reject a proposal if it is conditional, incomplete, contains irregularities, or reflects inordinately high cost rates. County may waive immaterial deviation in a proposal. Waiver of an immaterial deviation shall in no way modify the RFP documents or excuse the proposing firm/team from full compliance with the contract requirements if the prospective Proposer is awarded the contract.

IX. VALID OFFER

Proposals shall remain valid for one hundred twenty (120) days from the due date. The County reserves the right to negotiate with the successful Proposer any additional terms or conditions not contained in their proposal which are in the best interest of the County or to otherwise revise the scope of this RFP.

This RFP does not constitute a contract or an offer of employment. The cost of preparation of proposals shall be the obligation of the Proposer. All proposals, whether accepted or rejected, shall become the property of the County and will not be returned. Unnecessarily elaborate responses, enclosures, and specialized binding are not desired, and may be construed as an indication of Proposer's lack of cost consciousness.

X. COUNTY'S RIGHTS

The County reserves the right to:

1. Request clarification of any submitted information.
2. Waive any irregularity or immaterial deviation in any proposal.
3. Not enter into any agreement.
4. Not select any Proposer.
5. Cancel this process at any time.
6. Amend this process at any time.
7. To award more than one (1) contract if it is in the best interest of the County.
8. Interview Proposers prior to award.
9. To request additional information during an interview.

Waiver of an immaterial deviation shall in no way modify the RFP documents or excuse the proposing firm/team from full compliance with the contract requirements if the prospective Proposer is awarded the contract.

XI. CONTRACT AWARD

Award shall be recommended to the Proposer whose proposal best meets the needs of the County. The County reserves the right to reject any or all proposals, and to solicit additional proposals if deemed in the best interest of the County to do so. The decision of the County Board of Supervisors shall be final in making such determination.

The successful Proposer will receive written notification of the award, along with instructions for finalizing the agreement documents.

Response and selection of a Proposal will not necessarily result in a contract with the County of El Dorado. Proposal opening does not constitute awarding of a contract. Contract award is by action of the El Dorado County Board of Supervisors and is not in force until fully executed by that Board.

XII. PREVAILING WAGE REQUIREMENTS

The County requires the Proposer's services on public works projects involving local, State and/or Federal funds. Proposals must be consistent with applicable prevailing wage requirements.

XIII. CONFLICT OF INTEREST

Prospective Proposers warrant and covenant that no official or employee of the County, or any business entity in which an official of the County has an interest, has been employed or retained to solicit or aid in the procuring of the resulting agreement, nor that any such person will be employed in the performance of such agreement without immediate divulgence of such fact to the County. Prospective Proposer's proposal shall contain a statement to the effect that the

Proposer is not currently committed to another project that would constitute a conflicting interest with the project defined in this Request for Proposal (RFP).

XIV. PUBLIC RECORDS ACT

All proposals and materials submitted shall become property of the County and will not be returned. All responses, including the accepted proposal and any subsequent contract, become public records per the requirements of the California Government Code, Sections 6250 - 6270, "California Public Records Act". Proprietary material must be clearly marked as such. Pricing and service elements of the successful proposal are not considered proprietary information. Proposers which indiscriminately identify all or most of their proposal as confidential or proprietary without justification may be deemed unresponsive.

The County will treat all information submitted in a proposal as available for public inspection once the County has selected a successful Proposer. If you believe that you have a legally justifiable basis under the California Public Records Act (Government Section 6250 et. seq.) for protecting the confidentiality of any information contained within your proposal, you must identify any such information, together with the legal basis of your claim in your proposal, and present such information **separately** as part of your response package.

The final determination as to whether the County will assert your claim of confidentiality on your behalf shall be at the sole discretion of the County. If the County makes a determination that your information does not meet the criteria for confidentiality, you will be notified as such. Any information deemed to be non-confidential shall be considered public record.

Upon receipt of a request for disclosure pursuant to the California Public Records Act for information that is set apart and marked as proprietary, County will notify you of the request for disclosure. You shall have sole responsibility for the defense of the proprietary designation of such information. Failure to respond to the notice and enter into an agreement with County providing for the defense of and complete indemnification and reimbursement for all costs incurred by the County in any legal action to compel the disclosure of such information, shall constitute a complete waiver of any rights regarding the information designated proprietary and such information will be disclosed by County pursuant to applicable procedures under the California Public Records Act.

XV. BUSINESS LICENSE REQUIREMENT

It is unlawful for any person to furnish supplies or services, or transact any kind of business in the unincorporated territory of El Dorado County without possessing a County business license unless exempt under County Code Section 5.08.070. Contact the Tax Collector's Office at 360 Fair Lane, Placerville, CA 95667, or phone (530) 621-5800, for further information.

It is not a requirement to possess a County business license at the time of proposal submittal. Successful Proposers may be required to possess a County business license to award contract.

XVI. PUBLIC AGENCY

It is intended that other public agencies (i.e., city, special district, public authority, public agency, and other political subdivisions of the State of California) shall have the option to participate in any agreement created as a result of this RFP with the same terms and conditions specified there in, including pricing. The County shall incur no financial responsibility in connection with any agreement from another public agency. The public agency shall accept sole responsibility for contracting for services and making payment to the vendor.

Failure to comply with any of the requirements contained herein may result in disqualification. It is the responsibility of all Proposers to read ALL sections of this RFP prior to submitting a response.

Your participation in the RFP process is important to El Dorado County!

In addition to the above, should the Board of Supervisors during the course of a given year for financial reasons reduce or order a reduction in the budget for any County department for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of County, this Agreement may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

The Time to Cure may be extended at the discretion of the party giving notice. Any extension of Time to Cure must be in writing, prepared by the party in default for signature by the party giving notice, and must specify the reason(s) for the extension and the date in which the extension of Time to Cure expires.

Notice given under this section shall specify the alleged default and the applicable Agreement provision and shall demand that the party in default perform the provisions of this Agreement within the applicable period of time. No such notice shall be deemed a termination of this Agreement unless the party giving notice so elects in this notice, or the party giving notice so elects in a subsequent written notice after the Time to Cure has expired. In the event of termination, County reserves the right to take over and complete the work by contract or by any other means.

- B. Bankruptcy: This Agreement, at the option of County, shall be terminable in the case of bankruptcy, voluntary or involuntary, or insolvency of Contractor.
- C. Ceasing Performance: County may terminate this Agreement immediately in the event Contractor ceases to operate as a business or otherwise becomes unable to substantially perform any term or condition of this Agreement.
